Australian Passport Photo Guide

Your photograph must be at least 45mm x 35mm or larger to be accepted. If your photograph exceeds these measurements DO NOT trim it to size.

The size of your head in the photograph must measure from bottom of chin to crown of head 32mm to 36mm ($1\frac{1}{4}$ " to $1\frac{3}{8}$ ").

The crown of head is the top of your skull, not the top of your hair.

Additional Photo Requirements

- Neutral expression, mouth closed
- No red-eye
- Hair out of face, edges of face visible
- Looking straight at camera
- No head coverings (except for religious purposes)
- No flash reflection on glasses or face
- Nothing obscuring eyes
- Prescription lenses only, no tinted lenses
- No shadows
- Plain light background
- No hands in photograph
- Good quality prints only

If your photographs do not meet the photograph or head size requirements, or fail to comply with the additional requirements above, your application will be rejected and returned to you.

Photographs printed at home may also be rejected if the quality is not of a sufficient standard for passport purposes.
